## Exclusive mobile handset offers with BT.

BT brings you the latest handsets from Nokia and BlackBerry with smart prices.

### Nokia Lumia 800.

Available from £30 a month.

A tough talking business operator with integrated mobile Microsoft Office. It enables you to view, edit and share documents with Word, Excel and PowerPoint. This slick, stylish touch screen smartphone keeps you productive wherever you are.

### BlackBerry Torch™ 9860.

Available from £25 a month.

A responsive touch screen which delivers top performance for your business. From networking to emails, from messaging to browsing, the Torch 9860 takes it all in its stride with BlackBerry's fastest operating system – the OS7.

## Why BT?

- 1 million small business customers trust us to look after their IT and communication needs
- BT partners with market leaders in their own fields to provide the best of all worlds in a one stop shop
- Our specialised handset range is tailored to all types of business
- Our dedicated business support teams are available for all your service needs
- Combining your calls, lines, mobile and broadband with BT is the first step to streamlining your communications into a much faster, productive and cost-effective way of working
- Our network has 99.9% UK coverage – keeping you and your business connected
- Our network partners international coverage is one of the widest in the marketplace with voice agreements and over 550 networks in over 205 countries and territories worldwide. We also have data roaming agreements with 331 networks in 150 countries worldwide for GPRS and 114 networks in 74 countries for 3G
- BT has the largest Wi-fi network in the UK with over 3 million hotspots enabling you to work wherever and whenever you want to for free.

**BT has a proven record of providing excellent service and reliability. That's why more businesses in the UK trust us to provide them with fixed and mobile communications.**

Bringing it all together

#### Terms and conditions

All prices are exclusive of VAT.

Talk Time Solo has a minimum contract of 24 months. Sign up before 31st March 2012 to get our platinum tariff handsets for £35 a month (normally £37.50 a month). Plus get 1000 inclusive minutes and 1GB of data a month on our Platinum tariff. 1GB and 500MB data is per connection and cannot be shared. If you use more than your monthly data limit there will be a charge at £2 per MB. Unlimited texts are to any UK mobiles, but exclude texts sent when roaming internationally, texts to networks outside of the UK, texts to premium rate services and MMS. Reasonable Business Usage of 3000 texts a month applies.

\*This offer is available if you sign up to BT Talk Time Solo before 31st March 2012, and already have, or sign up to, BT Business One Plan. If the BT Business One Plan contract is cancelled at any point, any discounts no longer apply and prices will revert to standard Talk Time Solo prices. The Unlimited UK Calls Extra package has a minimum contract of 24 months, and only one package can be taken on any mobile contract. 1p charge for the first 3 months for the unlimited calls package on mobile when you sign up to BT Business One Plan. Discounted rates apply thereafter. Any discount will be applied against the monthly rental charge applicable to your contract. Calls to numbers starting with 07, 01, 02 and 03 (excluding the Channel Islands and the Isle of Man) will not be charged and will not be counted against your inclusive minutes. Reasonable Business Usage of 3,000 minutes a month applies. Customers with BT Business One Plan can make calls of up to 60 minutes each between fixed and mobile business lines supplied by BT at no extra charge. You will be charged at standard pence per minute rates after 60 minutes.

Full terms and conditions can be found at [www.bt.com/terms](http://www.bt.com/terms) and full pricing details at [www.bt.com/pricing](http://www.bt.com/pricing).
