

Setting up your new headset

Digital Voice for Business

Connecting a Jabra Headset to your Yealink phone

Connecting a corded headset with your phone

1. Locate the headset port on the underside of the telephone as shown below
2. Plug the bottom cable into the headset port
3. Connect the corded headset to the bottom cable via the Quick Disconnect plug
4. If using a Jabra headset, use switch setting position 4 on the cable

- Connect the headset base unit to the Yealink phone headset port via the RJ9 to RJ9 cord supplied with the headset
- Set the base unit to switch settings A and 7

Headset mode activation/deactivation

To activate the headset mode:

Press on the phone - The headset key LED illuminates solid green and the headset icon appears on the idle screen.

Press the line key or the Answer soft key to answer an incoming call. The call will be connected to your headset automatically.

Enter the desired number and then press the Send soft key, the phone will then place a call using the headset automatically.

To deactivate the headset mode:

Press again on the phone - The headset key LED goes out and the headset icon disappears from the idle screen

Warranty

Your headset is covered by a 2-year warranty with the headset manufacturer. If you experience any faults/issues with your headset, please contact:

Within the first 28 days from date of purchase:

BT Digital Voice BusinessCustomer Service Team – 0800 800 152

After 28 days, but within 2 years from date of purchase:

Jabra Technical Support Desk – 01784 220172 (option 2) Monday- Friday: 9:30am - 2pm or visit www.jabra.co.uk/support-page/warranty-and-service

Connecting a wireless headset with your phone

- Connect socket 1 of the Yealink Wireless Headset Adapter EHS40 to the base of the Yealink phone (EXT/EHS port) via the RJ12 cord supplied with the adapter
- Connect socket 2 of the Yealink Wireless Headset Adapter to the headset base unit via the RJ45 cord supplied with the adapter
