

The perfect match

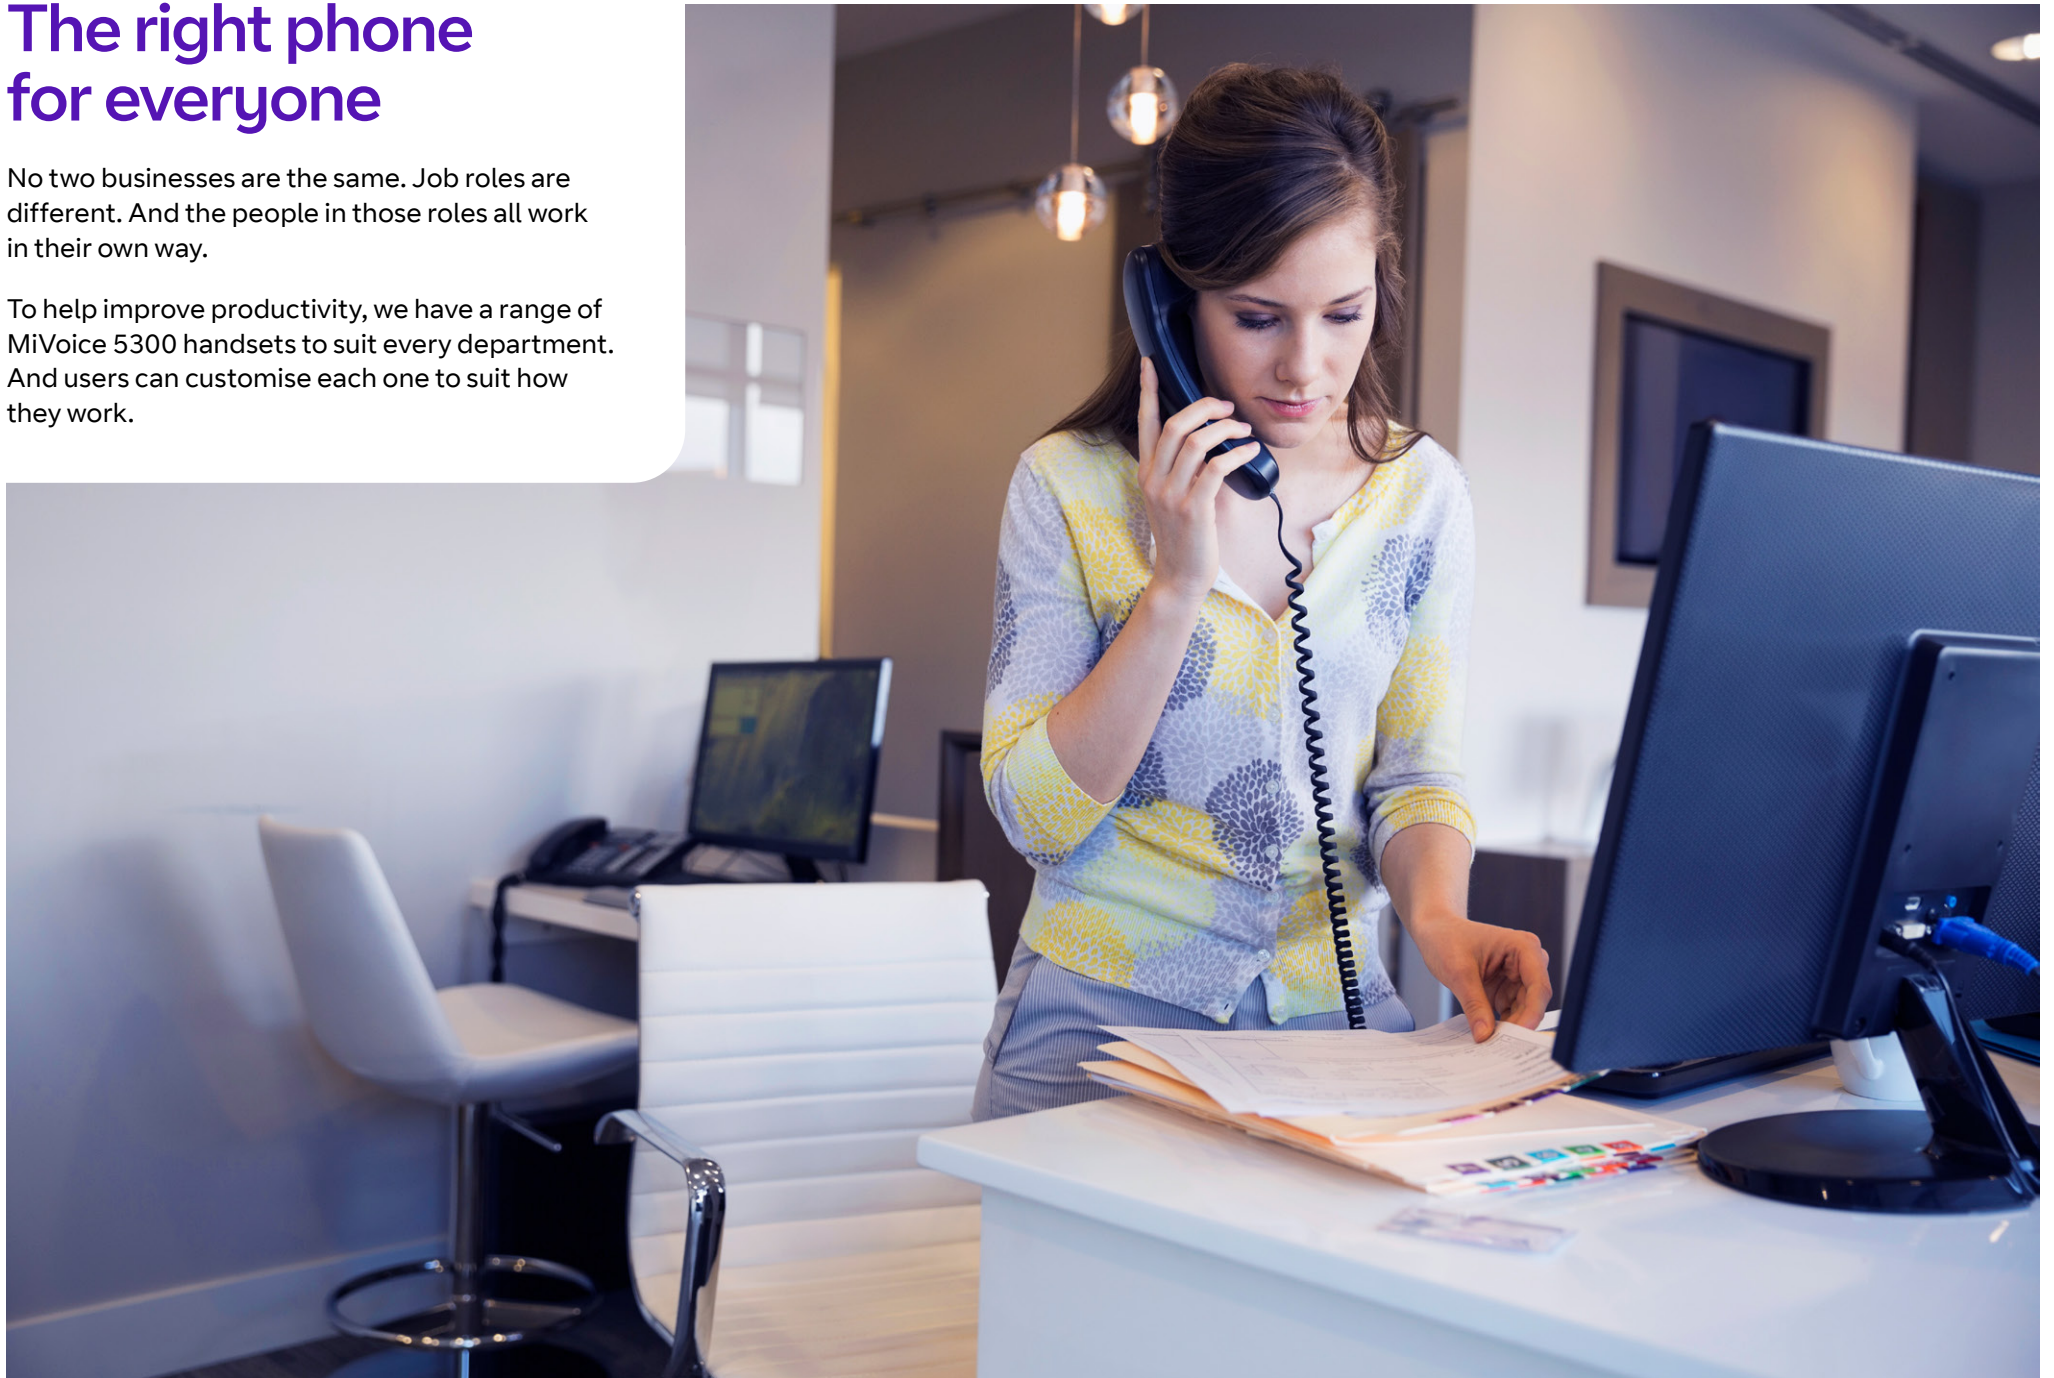

Boost productivity by pairing your people with one of our customisable MiVoice 5300 range phones.

The right phone for everyone

No two businesses are the same. Job roles are different. And the people in those roles all work in their own way.

To help improve productivity, we have a range of MiVoice 5300 handsets to suit every department. And users can customise each one to suit how they work.

Pick the perfect phones for your people

MiVoice 5304

Dial up productivity

The MiVoice handsets will help your teams work smarter. Here are a few extras to take things to the next level.

The more the merrier

The phones' programmable keys make everyday tasks quicker. Imagine what you could do with a plug-in module with 12, 48 or 96 extra keys.*

Get ahead

Take calls up to 100 metres away and do other tasks at the same time with a wireless headset.

Walk and talk

Never miss a call (or a potential opportunity). Upgrade to a cordless handset with a 90-metre range.

*Available on the MiVoice 5330e and 5340e phones.
