

A Note On 'You'

'You' and 'your' mean the Customer.

Data Processing Annex

1 Subject Matter Of The Processing Of Personal Data

This Data Processing Annex sets out the details regarding how Customer Personal Data is Processed when providing the Unified Trading Hosted Service.

2 Duration Of The Processing Of Personal Data

BT or its Sub-Processor will Process the Customer Personal Data for the Unified Trading Hosted Service as set out in this Annex for as long as BT provides the Unified Trading Hosted Service and for as long as BT may be required to Process the Customer Personal Data in accordance with Applicable Law.

3 The Nature And Purpose Of The Processing Of Personal Data

- 3.1 BT Trading Hosted is an ultra-reliable hosted communications platform deployed in concert with enterprise voice platforms. The Service simplifies trading floor communications by combining advanced telephony, turret, and unified IP and VoIP communications architecture into a single, scalable and highly flexible solution.
- 3.2 BT provides the managed Service that Processes basic personal information to enable the services selected by you. BT also provides you with access to a self-service portal and Personal Data such as user IDs and passwords are controlled by BT.
- 3.3 Due to the nature of the Service, Personal Data across all categories could be Processed, e.g.: included within collaboration, conferencing and messaging session recordings but for these, you are the data Controller. BT is the Processor for recordings and for the Personal Data it Processes in facilitating conferences.
