

Adding the Webex app to your device enables you to take your business number with you.

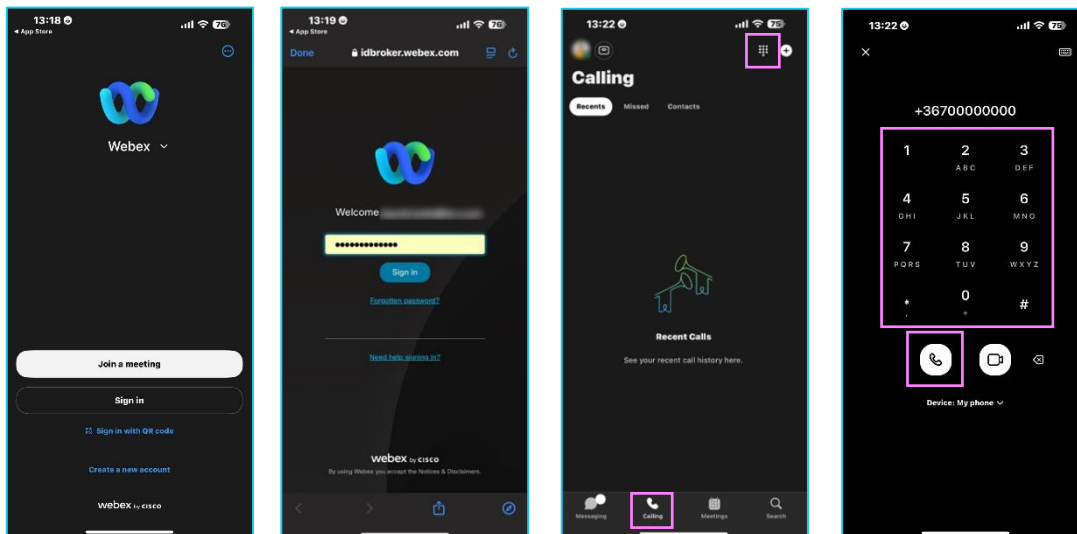

Install the app

- Open the App Store.
- In the search bar, type **Webex** and press enter.
- Locate the Webex app and tap the **Get** or **Install** button.

Sign into the app

- Once installed, tap the **Webex** app icon.
- Tap **Sign in** and enter your email address and password.
- Tap the **Calling icon** to view your call history and to access the dialpad, **tap the dialpad** on the top right.
- Dial a number and tap the call button to place a call.
