# Accessing your voicemail

Webex Calling with Microsoft Teams allows you to access your voicemail and listen to any new messages.

Accessing your voicemail

1. Click the **Webex Call** tab in the navigation bar on the left.

2. Under the **make a call section**, your recent calls will display. Click the Voicemail tab to view your voicemail messages.

3. Click the voicemail message to use the visual voicemail features to play the message. You can call the person back or delete the message.
