The Recipient accepts that it may not always be possible for BT to provide the notice in this Clause, such as, but not limited to, where changes arise because of events beyond BT's control.

 - (a) withdraw or change these Bonus Channels or their multiplexes without giving notice to the Recipient;

- 6.16 Where a Recipient purchases an event made available via BT Sport Box Office (each such event being an “**Event**”, together the “**Events**”), the following terms shall apply:

A – The Event(s)

- (a) You may order an Event by contacting BT at the telephone number designated for this purpose. If you do not already subscribe to any Channels, you will need an active and valid Viewing Card and an HD Sky Satellite Receiver Box.;
- (b) If your Premises consists of Communal Areas (e.g. Bars) and private rooms, then you will specify the number of Communal Areas in your order instead of the number of Premises. If you wish to exhibit the Event in private rooms, this must be discussed and agreed with BT (and BT will propose a bespoke price for this).
- (c) The purchase of an Event entitles you to receive only that Event to only the Premises (or Communal Areas/private rooms, if applicable) specified in your order (once accepted by BT) on the terms set out in this Agreement and no other event or programme however made available (whether via BT Sport Box Office or otherwise).

 - 2) the Recipient has broken any of the terms of this Clause 6.16; or
 - 3) the Recipient has broken any of the terms this Agreement.

- (a) Redistribution and/or re-broadcasting of any Event is strictly prohibited and exhibition of the Event(s) are permitted solely in accordance with the terms of this Agreement. The Recipient agrees not to cause, enable and/or permit any other person or Premises to redistribute or rebroadcast the Event(s);
- (b) The Recipient shall not make any charge for viewing of any Event(s) nor exhibit any Event(s) in public in circumstances where the audience has paid for admission to the place where an Event is to be seen or heard; Notwithstanding the restrictions set out in the previous sentence or in clause 15.2 below, You may charge the audience for admission to the TV Premises for viewing of a boxing Event provided that any marketing or promotion of such charge for admission solely associates any such charge with admission to view the relevant boxing Event (and not the Channels or any other programme on the Channels. It is acknowledged that the charge for the boxing Event may be linked to other services available at the TV Premises (other than the Services), such as food or drink). For the avoidance of doubt, save as expressly set out in this clause, the restrictions in clause 15.2 shall apply in full and You shall not charge the audience for admission to view the Channels or programmes on the Channels or otherwise make, market or promote any charge (whether direct or indirect) to any person for any of the Channels (including for the right to receive any Channel or for viewing of any Channel(s) or programme(s));

C – Payment

- (a) BT will notify you of the price of each Event upon request, such price being at BT's sole discretion. Prices for different Events may vary. If your Premises is in a Category which has both private rooms and Communal Areas and you have ordered the Event for Communal Areas, the price will be the Event price multiplied by the number of Communal Areas for which you have ordered the Event.
- (b) Payment for the Event(s) may be made via the same payment method as the Monthly Subscription Charge under this Agreement (and you consent to all such payments being charged under your payment instruction if you choose this) or, if at your discretion, by one-off credit card payment;

- (c) BT may from time to time assess the Recipient's credit standing using credit scoring and may use information from outside agencies in order to achieve this. BT shall apply reasonable practices for administering the Recipient's account based on the result of such scoring;
- (d) The Recipient may cancel an order for an Event not less than five (5) hours before the scheduled Event start time. Once ordered, the Recipient will be liable to pay for any Event (unless such Event is cancelled in accordance with this Clause 6.16 (C)(d)) irrespective of whether the Recipient watches any or all of such Event.

D – Liability

- (a) Subject to any applicable statutory rights, BT will not be liable to the Recipient as a result of any failure to provide an Event for reasons outside of BT's reasonable control or as a result of anything for which BT's liability is excluded under Clause 14 of this Agreement.

E – Miscellaneous

- (a) The terms of this Clause 6.16 shall only be applicable to Premises located in the Territory;
- (b) If you already have an agreement in place with BT for receipt of Channels, this Clause 6.16 supplements the other terms of the Agreement;
- (c) If you do not already have any agreement in place with BT for receipt of Channels, then this Clause 6.16 applies on a standalone basis from the time you order an Event until the Event programme finishes, provided that in such instance all terms and conditions of this Agreement relating to Viewing Cards, Satellite Equipment, liability, copying, copyright, security, Marks, notices, transfer, VAT, and law are incorporated in this Clause 6.16 to the extent that they are consistent with one another, and all terms used in this Clause 6.16 unless defined shall bear the meanings given to them in this Agreement;
- (d) Certain Events may not be available to all Recipients or Categories or in certain parts of the Territory. BT will make this clear when the relevant Event is offered or when you attempt to submit an order.

7. Monthly Subscription Charges

- 7.1 On the basis of information you provide to us BT will determine the Category most suitable for your Premises which will be notified to you in your Welcome Letter.
- 7.2 The Monthly Subscription Charges payable per Premises are as set out in your Welcome Letter. The Monthly Subscription Charges are based on:
 - (a) the Category of each the Recipient's Premises;
 - (b) the total number of Premises;
 - (c) the Minimum Period;
 - (d) the number of Viewing Cards;

- (e) the Option the Recipient has subscribed to, where applicable;
- (f) where applicable, any Offer the Recipient has subscribed to.

7.3 Upon execution of this Agreement the Recipient may be required to make an up-front payment to BT and thereafter the Recipient must pay in accordance with Clause 7.4. Unless otherwise stated in the Agreement, BT will bill charges in pounds sterling and the Recipient will pay all charges in pounds sterling. All payments must be made in full by the date on which they are due without any set off. If full payment is not received on the due date the Recipient will pay interest on the outstanding amount at the rate of 2% above the base rate of Barclays Bank plc from time to time from the date the sum was due until the date of actual payment. If the Recipient disputes any charge the Recipient must notify BT in writing within six (6) months of the date of the bill with all relevant information. The Recipient must pay the amount not in dispute. If the Recipient does not pay a bill BT may instruct a debt collection agency to collect payment (including any late payment charges) on its behalf. The Recipient must pay an additional sum, to cover the reasonable costs BT has to pay the agency, who will add the sum to the Recipient's outstanding debt.

7.4 Every month following the Activation (or as otherwise notified to the Recipient in the Welcome Letter) of the first Viewing Card you must pay to BT within 30 days of the date of the invoice, the charges set out in the Welcome Letter.

Recurring payments, including the Monthly Subscription Charges, are payable monthly in advance and all other charges are payable monthly in arrears. Unless otherwise stated in the Agreement, all amounts payable to BT under this Agreement are exclusive of VAT (Value Added Tax in the United Kingdom) or any other applicable taxes. If required by law, BT will charge VAT or any other applicable tax to the Recipient in addition to amounts payable to BT under this agreement. Any such VAT or similar tax charged by BT will be payable by the Recipient to BT at the same time and in the same way as the payments on which that VAT or similar tax is being charged.

Where possible all charges due from the Recipient will appear on the relevant monthly invoice, but sometimes there may be a delay.

7.5 The Monthly Subscription Charge is detailed in the Welcome Letter:

- (a) Where the Premises falls into the Categories of: Public House, CORCA Club, Bookmakers or Golf Club, BT shall apply the Rateable Value Pricing Policy to calculate the level of your Monthly Subscription Charges based on the non-domestic rateable value of your Premises. These are set out in your Welcome Letter or as notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.
- (b) Where the Premises falls into the Categories of: General, Sports Club (non-Golf) or General Licensed, the Monthly Subscription Charges shall be as set out in your Welcome Letter or as otherwise notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.
- (c) Where the Premises falls into the Hotel or General Offshore Category, your Monthly Subscription Charges shall be based on the number of Rooms in your Premises in accordance with Schedule 3 (*Hotel, General Offshore and SMATV Systems*) and shall be as set out in your Welcome Letter or as otherwise notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.

- 7.6 Without prejudice to clause 7.7, BT can change the Monthly Subscription Charges, the price bands and/or review its pricing structure (including, for the avoidance of doubt, those applicable under the Rateable Value Pricing Policy) generally at any time. To the extent any such changes affect the charges payable by Recipient, BT will publish any changes online at bt.com or any other online address BT may notify from time to time (or may, at its discretion, notify Recipients individually by email or in writing), as follows:
- (a) for such changes which are material, at least one month before the change is due to take effect; and
 - (b) for all other such changes, at least one day before the change is due to take effect.
- 7.7 Without prejudice to Clause 7.6, BT may apply an increase to the BT Sport Standard Rate once per calendar year, in accordance with RPI or lower, the increase date to be at BT's discretion. The increase is based on changes in RPI over the 12 month period preceding the month during which BT reviews its BT Sport Standard Rate (using the latest published RPI). There may be a gap between the date BT reviews the BT Sport Standard Rate and the date BT chooses to implement any increase. In this Agreement "RPI" means the Retail Prices Index All Items (or successor index) as published by the Office for National Statistics (or successor agency). For clarity, any increase in the BT Sport Standard Rate by an amount up to and including the change in RPI over the previous 12 months will be deemed to have been made under this Clause 7.7, not under Clause 7.6.
- 7.8 BT may refuse the Recipient's request to provide the Service based upon the results of an assessment of the Recipient's credit standing, including (without limitation) by using credit scoring. BT may also assess the Recipient's credit standing from time to time during the Agreement. BT shall apply reasonable practices for administering the Recipient's account based on the results of that scoring, including applying different payment terms to the Recipient's account. BT may use information from, and supply information to, outside agencies for this.
- 7.9 The Recipient must pay by direct debit or BACS transfer. Payment shall only be deemed effective once the full amount of such payment has been received in BT's account in cleared funds. Payments made other than by direct debit or monthly payment plan will be collected by BT Payment Services Limited (a wholly owned subsidiary of BT) unless otherwise advised by BT. BT Payment Services Limited will levy a payment processing fee, as set out in the BT Price List. This fee will be deducted from any money received before any payment is allocated against the charges for the Service.
- 7.10 Acceptance by BT of any payment shall not be deemed to be a waiver of BT's rights, notwithstanding such phrases as "complete and final payment" or "payment in full" or any such similar phrase accompanying the Recipient's payment.
- 7.11 The Channels available to you are as listed in your Welcome Letter. The Recipient cannot choose individual channels within the BT Sport Pack separately. If the Recipient upgrades the Service, the Recipient must remain with and pay for that new Service for at least thirty (30) days (unless this term is varied by any promotional offer terms and conditions included in this Agreement or published online at www.bt.com or any other online address) before the Recipient may be able to request a change to the Service.

7.12 If payment of any charges becomes subject to withholding tax, levy or similar payment obligation imposed by a foreign tax authority on sums due to BT under the Contract such withholding tax amounts will be borne and paid for by the Recipient in addition to the sums due to BT. The Recipient will provide BT without charge the appropriate certificate(s) from the relevant authorities confirming the amount of the withholding taxes, levies or similar payments borne and paid for by the Recipient.

8. Viewing Cards

8.1 A Viewing Card shall only be used by the Recipient at the Premises. A Viewing Card will be used only to receive and exhibit the Service at the Premises designated for that Viewing Card.

8.2 The Recipient will not part with possession of a Viewing Card. If the Recipient does, or BT has reasonable grounds to believe that the Recipient has, BT may (without prejudice to its other rights under this Agreement) invalidate the Recipient's Viewing Card(s) or cause them to be invalidated.

8.3 The possession of a Viewing Card shall not entitle the Recipient to receive the Service.

8.4 The Recipient will not tamper with a Viewing Card or use or allow it to be used in any way or for any purpose which BT has not authorised.

8.5 In order to receive the Service without interruption the Recipient's Viewing Card must be kept in the Satellite Receiver Box at all times and the Recipient is advised to keep the Recipient's Satellite Receiver Box connected to a mains supply (and suitable satellite dish) and on standby mode while not in use. Neither the Viewing Card, nor the software in the Satellite Receiver Box is not and shall not become the Recipient's property. The Recipient must not tamper with the software or allow anyone else to do so.

8.6 The Recipient must Activate the Recipient's Viewing Card(s) within ten (10) days of:

- (a) receipt of the Viewing Card(s) from BT where BT have provided the Recipient with new Viewing Card(s); and
- (b) the date of this Agreement where the Recipient receives or has received Viewing Card(s) from a third party.

If the Recipient fails to do so, BT may cancel this Agreement and the Recipient will pay the cancellation charges as set out in Clause 17.5 (a).

8.7 From time to time, for security or other reasons, BT understands that Sky may replace the Recipient's Viewing Card. If the Recipient receives a new Viewing Card from Sky the Recipient must:

- (a) check that the new Viewing Card is enabled for the Service; and
- (b) inform BT of the new Viewing Card number,

immediately and provide the details of such replacement Viewing Card(s).

- 8.8 If the Recipient fails to provide such information to BT under Clause 8.7 or Clause 8.14 the Service may not be available and may result in the Recipient being unable to exhibit the Service. In the event of any inability to exhibit the Service at any of the Premises, the full charges shall still be payable in accordance with Clause 7 and, notwithstanding Clause 14, BT shall have no liability for the failure to exhibit the Service.
- 8.9 The validity of a Viewing Card shall at all times be at BT's sole discretion. BT may at any time invalidate Viewing Cards to protect the security of the conditional access system or if BT believes the Recipient is using or permitting the use of a Viewing Card in an unauthorised manner or for unauthorised purposes or otherwise if it is reasonable to do so. BT understands that Sky may also invalidate cards in these circumstances. If a Viewing Card is invalidated by BT or Sky, BT shall have no liability under this Agreement to provide the Service.
- 8.10 Additional Viewing Cards are available upon request from BT which BT may provide at its sole discretion.
- 8.11 If a Viewing Card is misused by the Recipient, BT may invalidate the card with immediate effect, without notice.

Lost, Stolen, Damaged or Malfunctioning Viewing Cards

- 8.12 If the Recipient's Viewing Card supplied by BT is lost, stolen, damaged or fails to work the Recipient must immediately notify BT using the contact details set out in your Welcome Letter or the contact details otherwise notified to the Recipient by BT. Subject to Clause 8.13, BT may charge the Recipient for the cost of replacing a Viewing Card that is lost, stolen, damaged, fails to work, or which BT decides (at BT's sole discretion) to replace due to the Recipient's failure to take adequate security precautions as set out in Clause 10. BT will invalidate any Viewing Card that you tell us is lost, stolen, missing, does not work or is replaced.
- 8.13 Where the Viewing Card supplied by BT is damaged or fails to work, the Recipient must return it to BT (or as it directs). If the Viewing Card fails to work because of any malfunction which, in BT's sole opinion, arose because of a defect existing when the Viewing Card was supplied to the Recipient, BT shall replace the Card free of charge or procure its replacement. If the Card is faulty or damaged or fails to work in any other way and/or the Recipient does not return the Card to BT, then BT can charge the Recipient the cost of replacing it.
- 8.14 If a Viewing Card supplied by any third party is lost, stolen, damaged or fails to work, the Recipient must contact the third party to arrange a replacement. You must also advise BT using the contact details set out in your Welcome Letter to ensure that BT can activate the Service on your replacement Viewing Card.

9. Change of Law / Intervention by a Regulator

- 9.1 In the event of:
- (a) any intervention by a competent regulator (or any other government department, body or authority that has regulatory purview overseeing this Agreement) seeking amendment to, addition to or deletion of any provision of this Agreement or annulment or termination of this Agreement; or

- (b) both parties being unable to perform their respective obligations under this Agreement as a result of regulatory or legal action, the judgement of a court of competent jurisdiction or any other competent governmental, regulatory, judicial or administrative authority; or
- (c) any change to any applicable national or international law or a clarification to any such law that either:
 - (i) materially affects either party's ability to comply with its obligations under this Agreement; and/or

- 10.2 The Recipient shall take all steps necessary and consistent with its obligations under this Agreement to ensure that the Systems and the Service are protected, and in particular the Recipient shall, at BT's request:
 - (a) identify to BT the details of the Recipients Security Contact who will act as a single point of contact for any security issues; and
 - (b) ensure appropriate security training is provided to staff in relation to the System and maintain the records of training which shall be made available for audit by BT; and
 - (c) ensure the Recipient operates a proactive strategy to minimise the risk and effects of fraud and other security risks in relation to the Systems and the Service and maintain processes to monitor such risks and effects.
- 10.3 The Recipient shall ensure that the Systems are securely located in a locked storage area with limited controlled access. The Recipient shall implement security measures across all components of the System, such that they safeguard the confidentiality, availability and integrity of the Service. The Recipient will provide BT with full documentation in relation to the implementation of security in relation to delivery of Services and shall ensure that the implementation and management of security of the System:
 - (a) reduces the risk of misuse of the Systems and/or Service, which could potentially cause loss of revenue to BT or loss of Service; and

- (b) detects any security breaches that occur, enabling quick rectification of any problems that result and identification of the individuals who obtained access to the Systems and determination of how they obtained it.
- 10.4 The Recipient shall report to BT promptly any potential misuse of the Systems or the Service via the contact details set out in your Welcome Letter.
- 10.5 Upon request, the Recipient shall promptly provide to BT a written report with details of any security incident, a remedial plan and a timetable for achievement of the planned improvements and steps to be taken to avoid a repeat of the incident. If any audit or investigation reveals that there is a potential risk to the security of the Systems or Service in the Recipient's processes, the Recipient shall promptly correct that security risk.
- 10.6 BT or our appointed representatives reserve the right to conduct security audits from time to time, on any or all aspects of the Service at the Premises. Subject to BT providing the Recipient with reasonable notice, the Recipient or its representatives shall provide BT with, access and assistance as necessary and appropriate to allow such audits to be undertaken. The Recipient will work with BT to implement any recommendations and carry out any corrective action that BT deems necessary resulting from the audit within 30 days of being notified by BT or such period as agreed between the parties. BT has the right to terminate the Agreement if the Recipient does not carry out such required corrective actions within the timeframes set out in clause 17.4 (e).

11. Satellite Equipment for the Premises

- 11.1 To be able to use the Service, the Recipient needs a working set of Satellite Equipment. This must be installed before the Service can be provided. Any installation of Satellite Equipment is at the Recipient's own cost and the Recipient's own liability and risk.
- 11.2 Where the Recipient does not have a working set of Satellite Equipment, BT can introduce the Recipient to an Authorised Equipment Installer. At the Recipient's option, the Recipient may choose to contract with the Authorised Equipment Installer for installation of a set of Satellite Equipment. Any contract for the installation is made between the Recipient and the Authorised Equipment Installer, and the Recipient does so at the Recipient's own risk and liability.
- 11.3 For the avoidance of doubt, BT makes no warranty and shall have no liability in respect of any Satellite Equipment and/or its installation procured by the Recipient pursuant to Clause 11.2.

12. Data Protection and Privacy

By taking the Service, the Recipient agrees that the Recipient's Premises will be included in Sport Finder and that the details of the Recipient's Premises (including the name, address, postcode, phone number and website (where applicable)) may be on our website(s) in order to facilitate such

services. You will not enter any "personal data" (as defined by applicable data protection law) into any BT Sport Pub Finder tool.

SCHEDULE 1

RATEABLE VALUE PRICING POLICY

New policy revised and effective from 14 June 2018, subject to paragraph 10

1. Subject to paragraph 10 (New RV Implementation Terms), the Monthly Subscription Charges are determined by the rateable value for the Recipient's Premises that came into effect on 1 April 2017 (in mainland UK) and 1 April 2013 (in Northern Ireland) (except for mainland UK Bookmakers whose Monthly Subscription Charges will be determined by 1 April 2010 rateable value listings). The Recipient's Monthly Subscription Charges will continue to be determined by these rateable value listings until further notice by BT, unless BT deems the Recipient's Premise to be in a Category where rateable value does not determine pricing.
2. The non-domestic rateable value for the Recipient's Premises means the rateable value as shown on the non-domestic rating list of the relevant valuation authority / association (for example the Valuation Office Agency (VOA), the Scottish Assessors Association (SAA); or the Valuation of Lands Agency (VLA) (or, in each case, any successor in function thereto)).
3. It is the Recipient's responsibility to provide BT with the necessary documentation evidencing the rateable value of the Recipient's Premises. Until the Recipient does so, BT reserves the right to deem rateable value to be £999,999 and the Recipient's Subscription Payments will be determined accordingly.
4. The rateable value for the Recipient's Premises can be obtained from the government body responsible for setting rateable values in the Recipient's country of operation. A searchable database of the 2017 (2010 for Bookmakers) rating list for England & Wales can be found online at www.voa.gov.uk and for Scotland at www.saa.gov.uk. A searchable database of the 2013 rating list for Northern Ireland can be found at www.lpsni.gov.uk.
5. If a successful rateable value appeal is made for the Premises, the Recipient must notify BT (with documentation and other evidence acceptable to BT) confirming the change. BT will amend the level of future Subscription Payments accordingly. In such circumstances BT will allow the Recipient a credit for the difference between the previous and new Subscription Payments payable by the Recipient for the Premises. This credit will be made in respect of the shorter of:
 - (a) the date from which the lower rateable value first applies until the date on which BT receives proper notification from the Recipient of the change in rateable value; or
 - (b) twelve (12) months.
6. No credit or repayment will be due or made if notification of a decrease in rateable value is received by BT after the end of the Agreement.
7. If the rateable value of the Recipient's Premises increases, the Recipient must notify BT (with documentation or other evidence acceptable to BT) confirming the change. When notified by BT, the Recipient will immediately pay to BT all additional sums due as a result of an increase in rateable value from the date on which such increase first applied to the Premises, together with interest on such additional monies at the annual rate of 2% above the base rate of Barclays Bank plc from time to time (compounded monthly).

8. If the rateable value of the Recipient's Premises increases and the Recipient does not notify BT with appropriate evidence of the new rateable value, the Recipient will be liable to pay the difference between the Recipient's new rateable value and the old rateable value from the date the audit took place together with interest thereon.
9. The Recipient consents to BT confirming and clarifying any information provided by the Recipient to BT regarding the Recipient's rateable value, with any and all appropriate organisations, bodies and local authorities.
10. **New RV Implementation Terms.**

(i) If you have signed up to a new contract or re-contracted, on or after 14 June 2018, this revised Rateable Value Pricing Policy will apply to you in full, to determine the BT Sport Standard Rate. If you are an existing customer as at 14 June 2018 and remain a customer on 1st September 2018, then this revised Rateable Value Pricing Policy will apply with effect from 1st September 2018 to determine your BT Sport Standard Rate, *subject to* the provisions of sub-paragraphs (ii) to (v) inclusive below.

(ii) If you are within your Minimum Period on 1st September 2018 and the revised Rateable Value Pricing Policy would cause your Monthly Subscription Charge (as discounted by any Offers) to increase by 4.9% or more, then the increase in your Monthly Subscription Charge will be capped at 4.9% for the balance of your Minimum Period. After your Minimum Period expires, until this Agreement terminates or you re-contract, your Monthly Subscription Charge will be capped at 4.9% above your (undiscounted) Old BT Sport Rate Card Rate. If and when you terminate and re-subscribe at a later date, or if you re-contract, this paragraph 10(ii) will no longer apply to you and the Monthly Subscription Charge will be the BT Sport Standard Rate, subject to any Offers you contract for.

(iii) If you validly subscribe to a BT Sport Pack but are outside your Minimum Period on 1st September 2018, and the revised Rateable Value Pricing Policy would cause your Monthly Subscription Charge to increase by 4.9% or more, then until this Agreement terminates or you re-contract, your Monthly Subscription Charge will be your (undiscounted) Old BT Sport Rate Card Rate, increased by 4.9%. If and when you terminate and re-subscribe at a later date, or if you re-contract, this paragraph 10(iii) will no longer apply to you and the Monthly Subscription Charge will be the BT Sport Standard Rate, subject to any Offers you contract for.

(iv) If you are within your Minimum Period on 1st September 2018 and the revised Rateable Value Pricing Policy would cause your Monthly Subscription Charge (as discounted by any Offers) to remain the same or decrease, then your Monthly Subscription Charge will continue to be determined by your Old BT Sport Rate Card (as discounted by any Offers) for the balance of your Minimum Period. Once your Minimum Period expires, the BT Sport Standard Rate will apply (subject to any Offers you contract for).

(v) If you validly subscribe to a BT Sport Pack but are outside your Minimum Period on 1st September 2018, and the revised Rateable Value Pricing Policy would cause your Monthly Subscription Charge to remain the same or decrease, then the BT Sport Standard Rate will apply to you with effect from 1st September 2018.

 - (b) where the Recipient exhibits the Service in any Bar(s), the Recipient may do so only within the Bar(s) of the Recipient's Premises and only Approved Display Devices.
- 1.2 Nothing in this Agreement shall give the Recipient the right to distribute, exhibit or otherwise show any of the Channels in the Service otherwise (including but not limited to via a computer terminal or similar equipment) or in any other area of the Premises.
- 1.3 Subject to any restrictions on distribution or exhibition, the Recipient must distribute all of the Channels in the Recipient's Service in full at all times to every Room in the Premises.

2. Recipient's Obligations

- 2.1 The Recipient must accurately list the number of Rooms, Bars or Points at the Premises in accordance with the remainder of this Clause 2. The Recipient may only show the Service at the number of Rooms, Bars or Points that the Recipient has notified to BT.
- 2.2 If the number of Rooms, Bars or Points in the Premises is to increase at any time, the Recipient must notify BT in writing of the date that such increase shall take effect at least fourteen (14) days' prior to the date that such increase takes effect. If the Recipient fails to give such notice, BT may choose to remedy the Recipient's breach by giving the Recipient the right to distribute the Service to such Rooms or Points retrospectively but nothing in this Agreement shall oblige BT to do so. If BT does choose to do so, then on receipt of a written demand from BT, the Recipient will immediately pay the monthly Subscription Payments backdated to the date from which the Service has been supplied to such Rooms, Bar, or Point(s) together with interest at the annual rate of two per cent (2%) above the base rate of Barclays Bank plc (from time to time) on the Subscription Payments for such period, compounded monthly.
- 2.3 If the number of Rooms, Bars or Points in the Premises decreases at any time, the Recipient must notify BT in writing of the date that such decrease shall take effect at least fourteen (14) days' prior to the date that such decrease takes effect stating the effective date of the decrease. The number of Rooms or Points or IPTV Points must not decrease to less than two (2). Early termination charges will apply to the Rooms or Bars, as set out in Clause 17.5.
- 2.4 The Recipient warrants and represents that throughout the Agreement (or at the date of this Agreement where expressly specified):

- (a) that the information provided when the Recipient entered into this Agreement (including the number of Rooms, Bars, and Points at the Premises and the number of Bars in which the Recipient will receive the Service) is correct as at the date of this Agreement;
- (b) the Premises has a SMATV System and the Service will be distributed at all times to two or more Points within the Premises only by such SMATV System; and
- (c) the Recipient will procure, install and maintain at the Recipient's cost and expense all equipment required to perform and comply with this Agreement and have in place all consents needed for the operation and maintenance of such equipment. The Recipient agrees to produce copies of consents to BT on request;
- (d) where the Recipient's Service is exhibited in the Recipient's Bar(s), the Bar(s) are and shall remain public licensed bar(s) in the Recipient's Premises (unless BT agree that the Recipient may exhibit the Channels in any Communal Areas of the Recipient's Premises which are not licensed bars);
- (e) where the Recipient's Service is exhibited in the Recipient's Bar(s), at least one Satellite Receiver Box will be connected to at least one Point in the same Bar at all times; and
- (f) where the Recipient's Service is exhibited in the Recipient's Bar(s), the Satellite Receiver Box(es) in that bar shall not be connected to Points outside that Bar, including Points in any other bar.

2.5 The numbers of Rooms, Bars and Points that the Recipient has told BT are at the Recipient's Premises are set out in your Welcome Letter . If this information is inaccurate the Recipient must tell BT immediately. Upon BT's request, the Recipient shall confirm in writing the number of Rooms, Bars and Points within the Recipient's Premises and the Recipient hereby agrees to allow BT or its authorised representative, on reasonable notice to the Recipient, to access the Recipient's Premises in order to audit this information within the Recipient's Premises and the Recipient's compliance with the terms and conditions of this Agreement.

3. Service

3.1 With the exception of General Offshore Premises, the Recipient may only exhibit the Channels in the Recipient's Bar(s) if the Recipient also distributes the Channels to Rooms in the same Premises.

3.2 The Recipient will receive all the Channels that form part of the Recipient's Service in the Recipient's Rooms and in the Recipient's Bar(s).

4. Monthly Subscription Charges

4.1 The charges will be as set out in the Welcome Letter, subject to a minimum charge of £60.00 per Premises (excluding VAT).

4.2 If the number of Rooms in the Premises changes in any month, the Rooms Charge shall be either:

(a) calculated using the monthly average number of Rooms (calculated by adding together the number of Rooms in the Premises on the first day and last day of the month in question and dividing the result by two); or

(b) amended with effect from the subsequent month,

at BT's sole discretion.

4.3 The Recipient's Monthly Subscription Charges for the Recipient's Bar(s) (the 'Bar Charge') shall be as set out in your Welcome Letter (or as varied by BT from time to time pursuant to Clause 7.6 of the Conditions) and is calculated by reference to the number of Rooms in the Recipient's Premises. The number of Rooms in the Recipient's Premises will be calculated in accordance with the provisions of Clause 4.1 of this Schedule. If the number of Rooms changes and takes the Recipient into a new price band category under this Agreement, the Recipient's Bar Charge for that and subsequent months will change to the applicable monthly charge for that new price band category. If the number of Rooms changes in the middle of a month the monthly charge shall be calculated using the monthly average number of Rooms, as specified in Clause 4.2 of this Schedule. For the avoidance of doubt, an increase in the level of Monthly Subscription Charge attributable to an increase in number of Rooms in the Recipient's premises shall not constitute a material change for the purpose of Clause 17.1(a) of the Conditions.

4.4 The Total Monthly Subscription Charge in any month shall be the sum of the Rooms Charge and the Bar Charge.

5. Viewing Cards

5.1 During the Agreement, for such time as the Recipient fully complies with the terms of this Agreement the Recipient shall be entitled to:

(a) one Viewing Card for each (i) Channel in the Recipient's Rooms Service or (ii) blade with the SMATV System. If any of the Recipient's chosen Channels include any multiplexes, the Recipient will be entitled to one Viewing Card for each such multiplex that the Recipient requested to receive; and

(c) one Viewing Card for each Bar in respect of which the Recipient subscribes. For the avoidance of doubt, the Recipient may exhibit the Bar Service on more than one Approved Display Device within the Bar.

Terms of the Offer

1. This Offer entitles the Recipient to Standard Installation of Satellite Equipment by the Authorised Equipment Installer (per Recipient and per Premises) at no additional charge provided you enter into an Agreement with BT for the BT Sport Total pack for at least a 12 month Minimum Period.

2. The offer is limited to one set of Satellite Equipment per Recipient and BT will select the Satellite Receiver Box, satellite dish and any other equipment to be supplied under this offer. Such Satellite Equipment may not be new. Timing and supply of equipment and installation may be subject to availability delay and is to be organised between the Recipient and the Authorised Equipment Installer. Any warranty is provided by the Authorised Equipment Installer.
3. The Recipient must activate your Viewing Card within ten (10) days of the installation of the Satellite Equipment taking place. If the Recipient does not activate the Viewing Card within ten (10) days of installation then the Recipient will be liable to pay to BT an amount equal to the full cost to BT for the Satellite Equipment provided to the Recipient plus the full cost of installation services that the Recipient received under the terms of the Free Standard Installation offer (currently up to £321.50 excluding VAT).
4. The Satellite Equipment procured by the Recipient under this Offer must remain in the Premises throughout this Agreement.
5. If the Recipient:
 - (a) cancels the Agreement before the Service has been provided the Recipient will pay, by way of compensation;
 - (i) BT's reasonable costs; and
 - (ii) the full costs of any Satellite Equipment received from BT or its Authorised Equipment Installer and/or costs in respect of Standard Installation from an Authorised Equipment Installer; or
 - (b) terminate the Agreement before the end of the Minimum Period), the Recipient will pay;
 - (i) Early Termination Charges as set out in Clause 17.5 of the Conditions; and
 - (ii) the costs of any Satellite Equipment from BT, its Authorised Equipment Installer, and/or costs in respect of Standard Installation from an Authorised Equipment Installer, which shall be calculated by dividing the total cost of the Satellite Equipment and Standard Installation by 12 and multiplying by the number of months for the remainder of the Minimum Period.
6. Clauses 11.2 and 14.3 of the Conditions apply to this Offer.

Standard installation

7. BT will introduce the Recipient to an Authorised Equipment Installer. The Recipient must contract directly with the Authorised Equipment Installer to install the Satellite Equipment.
8. The timings and logistics of such an installation are to be agreed between the Recipient and the Authorised Equipment Installer and will be subject to the availability of the Satellite Equipment.

9. The Recipient must ensure that the Authorised Equipment Installer's personnel are able to access the Premises on the appointed day.
10. The installation could take place at any time on the installation day.
11. During the installation there must be someone on-site at your Premises who has authority to:
 - (a) give the engineer access to the Premises and to show them where the Satellite Receiver Box and other equipment is to be installed;
 - (b) help the engineer with any questions they may have regarding the installation;
 - (c) provide authorisation for any additional work and costs that need to be carried out.
12. The Recipient must ensure that the engineer has access to all areas of the Premises, including the roof, on the day of installation.
13. So that we can test the system the Viewing Card must be activated on the day of installation.

Subject to Survey

14. If the Authorised Equipment Installer's engineer considers that additional work is required beyond the Standard Installation, it may be necessary to carry out a site survey of the Premises on another day to provide an accurate scope and costing for the installation. If this is the case, the Authorised Equipment Installer will discuss this with the Recipient and all associated costs before any further work is carried out.

Consents and Permissions

15. The installation of the Satellite Equipment may require that the Recipient obtains certain permissions or consents including but not limited to the consent of local authority, local council and/or the landlord of the Premises (if relevant) prior to the installation being carried out. It is the Recipient's responsibility for ensuring that all these agreements and consents have been obtained before the Authorised Equipment Installer commences installation.

Works Required and Payment

16. A Standard Installation of Satellite Equipment assumes that no additional cabling, bracketry or other equipment is required or any works are required which are beyond the scope usual in a normal installation. A Standard Installation further assumes that if the Recipient already has Satellite Equipment, the Recipient will not continue to use it.
17. The costs of the Standard Installation will be subsumed within the Recipient's BT Total Monthly Subscription Charges, at no additional cost to the Recipient. The Recipient will be responsible for meeting all costs of installation carried out beyond the Standard Installation in all cases. The Authorised Equipment Installer will inform the Recipient of the costs of installation of Satellite Equipment before commencing work. Alternatively, if the Recipient does not agree to those charges, the Recipient may cancel the installation.
18. Where the Recipient wishes to have the Satellite Receiver Box connected to a telephone (or the Recipient is required by BT to have it connected pursuant to the Conditions or otherwise),

it is the Recipient's responsibility to have a telephone socket available close to the location of the installed Satellite Receiver Box.

19. Unless BT advises otherwise, and provided the Recipient does not already have digital satellite equipment, the number of Satellite Receiver Boxes covered under the Standard Installation for the Premises is restricted to a maximum of one (1).

Missed Installation

20. In the event that the Recipient fails to comply with the terms of this Offer and the Authorised Equipment Installer is not able to access the Premises to carry out the Standard Installation, a missed installation fee may be charged to the Recipient by the Authorised Equipment Installer before they reattempt visiting the Premises to carry out such an installation. For the avoidance of doubt, such matters are to be dealt with between the Recipient and the Authorised Equipment Installer. BT shall be under no obligation to carry out a Standard Installation itself or procure such a Standard Installation if the Authorised Equipment Installer refuses to carry out the work for any reason, at which point this offer will lapse.
