

A Note On 'You'

'You' and 'your' mean the Customer.

Data Processing Annex

1 Subject Matter Of The Processing Of Personal Data

This Data Processing Annex sets out the details regarding how Customer Personal Data is Processed when providing the Cyber Security Service.

2 Duration Of The Processing Of Personal Data

BT or its Sub-Processor will Process the Customer Personal Data for the Cyber Security Service as set out in this Annex for as long as BT provides the Cyber Security Service and for as long as BT may be required to Process the Customer Personal Data in accordance with Applicable Law.

3 The Nature And Purpose Of The Processing Of Personal Data

- 3.1 BT's Cyber Security Platform is a state-of-the-art capability that a security operations centre can leverage to transform into a security intelligence centre, taking internal and external data feeds to visually represent, in a single location, the vast amounts of security alerts occurring throughout the organisation.
- 3.2 The data collected are logs and activity patterns that themselves do not contain any Personal Data, although the data may be "pseudonymised" i.e.: it could be possible for BT or you to "triangulate" back to where and who an IT threat originated from.

4 Types Of Personal Data and Categories of Data Subjects

- 4.1 The types of Customer Personal Data Processed by BT or its Sub-Processors or you will be:
 - 4.1.1 website or IP address.
- 4.2 The Customer Personal Data will concern the following categories of Data Subjects:
 - 4.2.1 your employees.
