

### A Note On 'You'

'You' and 'your' mean the Customer.

## Data Processing Annex

### 1 Subject Matter Of The Processing Of Personal Data

This Data Processing Annex sets out the details regarding how Customer Personal Data is Processed when providing the Private Compute Trading Service.

### 2 Duration Of The Processing Of Personal Data

BT or its Sub-Processor will Process the Customer Personal Data for the Private Compute Trading Service as set out in this Annex for as long as BT provides the Private Compute Trading Service and for as long as BT may be required to Process the Customer Personal Data in accordance with Applicable Law.

### 3 The Nature And Purpose Of The Processing Of Personal Data

- 3.1 The Private Compute Trading Service is a customisable and automatically-delivered Infrastructure as a Service solution that can be hosted in any combination of locations around the world, as specified by you.
- 3.2 BT Processes (hosts) any information that you (or your employees, agents or subcontractors) upload. BT has no control or oversight of the nature of the data this is being stored on its servers, or the purpose that you are fulfilling in such storage.
- 3.3 BT does not have access to your data including personal information. The only exception could be where BT, under a separate contract or instruction, is asked by you to support in a third line or low-level technical assurance scenario. In this case, you will need to provide rights of access to your data.

### 4 Types Of Personal Data and Categories of Data Subjects

- 4.1 The types of Customer Personal Data Processed by BT or its Sub-Processors or you may be:

- 4.1.1 website or IP address;
